

The background of the poster features a warm, reddish-orange color palette. It is decorated with several large, detailed images of flowers, including daisies and gerberas. A violin is prominently displayed on the left side, with its neck and strings extending towards the top left. The title 'KIRCHE KREATIV' is written in a large, bold, orange-red font at the top. The text 'KIRCHE' is partially obscured by the violin's neck. Below the title, the event details are listed in a clean, black, sans-serif font. The central theme is enclosed in large, bold, black quotation marks. The names of the performers and the choir are listed below, followed by the musical segment title. At the bottom right, there is a logo for 'KIRCHE KREATIV' and a website URL. The bottom of the poster shows a blurred image of a group of people, likely the choir members, smiling and looking towards the camera.
